

## 2016 Consortium

Hi all, we would like to thank you for attending the 2016 TxHSIC Conference. As promised, here are the slides:

### Presentations:

- Dr. Gloria White, President of the TxHSIC - St. Edward's University  
["Tx HSI Consortium 2016 Conference"](#)
  - Linda M. McManus, PhD, Director of the Office of Postdoctoral Affairs - The University of Texas Health Science Center at San Antonio  
["NIH and Other Biomedical Funding Opportunities"](#)
  - Dr. Diana Doan-Crider - US Forest Service and USDA; and Dr. Bill Quinn - St. Edward's University  
["Challenges and Disconnects in Diversity Recruitment for Natural Resource Management"](#) - This presentation discusses what you should know about the federal pathways hiring system for interns and recent graduates from our HSI institutions; also, funding opportunities for institutions, faculty, and students at USDA and USFS.
  - Paul Tymann, PhD - National Science Foundation  
["Reviewing NSF Proposals: Learning about Effective Proposal Writing & the Reviewer Process"](#) - This presentation will describe funding opportunities that are available for HSIs, and his advice about successful proposals.
  - Beatriz Cajo, Program Director for Title V HSI grants - U.S. Department of Education  
["Supporting Hispanic Student Success"](#) - This powerpoint goes over the 2016 priorities and selection criteria for HSI-STEM grants and outlook for additional funding opportunities for HSIs.
  - Elizabeth Retamozo - Nosotros Education Center  
["Developing a Winning Proposal in 2016"](#) - Ms. Retamozo has a 90% success rate with assisting institutions to secure Title V funding.
-
